COMPLIANT

## H01021 SWIVEL CATCH

*The GRIPPS® Swivel Catch is your guarantee against tangles and tension when working with tools at height. A load-rated swivel point allows for a 360-degree operational range of motion whilst the cord loop provides an easy and efficient tool choke.*

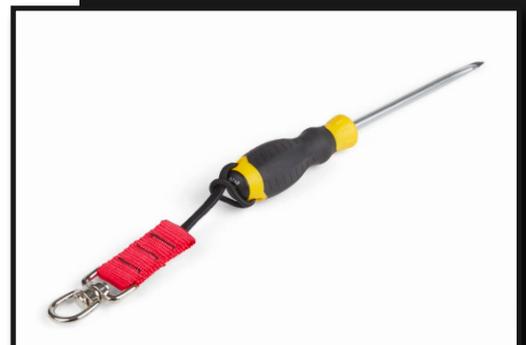

Suitable for tools with hang holes/slots or closed handles, the Swivel Catch loops through the gap to create a choke. Tether your tool easily with a GRIPPS® Swivel Catch applied.

MAX LOAD:

**51<sub>IN</sub>** **1.3<sub>M</sub>**

MAX TETHER LENGTH:

THE LEADER IN FALLING OBJECT PREVENTION

GRIPPS.COM

## KEY FEATURES

Quick, easy installation with no special tools or equipment required

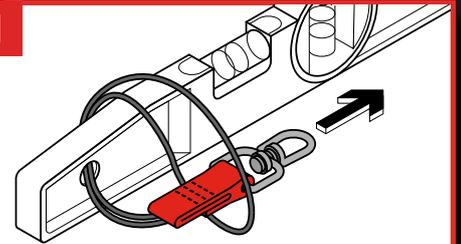

Fully certified and load rated

Swivel anchor allowing for full 360-degree range of movement without getting tangled

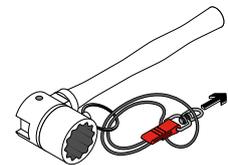

## HOW TO USE

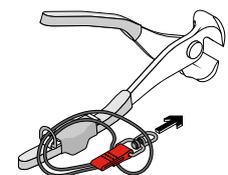

1

Feed the Swivel Catch through the pre-formed hole in the tool. Loop Swivel Catch back through itself. Your tool is now ready to be applied to a GRIPPS® Retractable Tool Belt via a GRIPPS® Retractor Unit.
