

RETRACTABLE BARRIER SYSTEM

YOUR ALL-IN-ONE SOLUTION FOR TEMPORARY BARRIERS!

KEY FEATURES

Dual or Single Tape Configurations

- Connect either one or two head units to create a substantial temporary barrier

Easy Storage

- All post components, plus 2x head units nest within the base
- Multiple units can be stacked

Easy Transport

- All post and base components easily transport via convenient handles

10m Length Tape

- Market leading tape length for more effective demarcation

More advantages over the market leader

- ✓ Weighted base for extra stability
- ✓ More reliable performance
- ✓ Easy fill/empty base
- ✓ Receiver clip storage in base
- ✓ Cord receivers on cone adaptor
- ✓ Water resistant sign holder
- ✓ Lockable receiver clip
- ✓ Multi-size sanitiser/bottle holder

RETRACTABLE BARRIER SYSTEM

Individual Components List
