DRINK **BOTTLE POUCH**

DESCRIPTION

DRINKING WHEN YOU ARE THIRSTY TYPICALLY REPLACES ONLY HALF THE FLUID LOST THROUGH SWEAT.

Conversely, engaging in a Drinking Program maintains your optimal hydration levels and you do not become dehydrated. Program Drinking involves drinking small amounts of fluid frequently.

So ensure you have access to fluid at regular intervals the THORZT Bottle Pouch keeps hydration on person at all times.

FEATURES & BENEFITS

- Heavy duty design that will last in the most extreme environments
- Riveted at stress points for maximum strength
