**CODE : H01070**

**ANSI/ISEA 121-2018 COMPLIANT**

Reliable and out of the way, the Coil Hard Hat Tether is so low-profile you won't even know you're wearing it.

The coil features industrial grade PU to deliver strength and work-site ruggedness.

With a metal clamp far exceeding its max load rating combined with a tactical, light-weight design, the Coil Hard Hat Tether brings dependable strength when needed, and low-profile compatibility when not.
